

Peer Connection Project Manager

Temporary FTE

\$22-25/hour

August 1 – December 31, 2020

[Oregon Recovers](#), Oregon's leading statewide addiction recovery advocacy organization, has received Covid-19 emergency funding from the Oregon Health Authority to facilitate connections between Certified Peer Recovery Mentors (CRMs) and those seeking recovery support through our addiction resource website: OregonRecoveryNetwork.org. We are seeking a skilled project manager to immediately design, implement, and promote utilization of the site and CRM connection service until the end of the grant on December 31, 2020. Simultaneously, Oregon Recovers will pursue permanent funding for the project.

Responsibilities:

1. Work with our webmaster to select and implement an appropriate chat function technology that provides reliable and cost-effective functionality.
2. Build a statewide, culturally specific network of peer-organizations to refer users to, execute a Memorandum-of-Understanding with each and design a system to ensure rapid access to peer support.
3. Ensure that individuals seeking peer support through the site get connected to the appropriate service within 24 hours by monitoring the chat function daily.
4. Design, operate, and maintain a data collection system for all peer participants.
5. Coordinate development and implementation of a marketing campaign to increase utilization of ORN and its chat peer connection function.

Who are we looking for?

We are looking for an energetic, experienced Certified Recovery Mentor, ideally with project management experience, that has a passion for addiction recovery and nonprofit work. The following skills and experience would make a perfect fit:

- Demonstrated problem solving and team management skills
- An aptitude for technology and interest in systems development
- Demonstrated ability to rapidly establish and utilize professional relationship
- Ideally bilingual (Spanish & English)
- Strong communications, community relations, volunteer management, or nonprofit development experience

About Oregon Recovers:

Founded in September, 2017, Oregon Recovers is a coalition of people in recovery, the people who love us (our friends and family), and the people who take care of us (folks working on the front lines of the addiction crisis) uniting to transform Oregon's fractured and incomplete addiction recovery healthcare system into a comprehensive, recovery-based continuum of care that recognizes addiction as a chronic disease that requires at least five years of attention.
